**"Making and Getting the Best Use of Sails"
With Chris Jeckells MD of Jeckells sails**

Saturday 21st February 2015 11.00 am to 3.00pm
At the Medway Yacht Club Lower Upnor, Rochester, Kent ME2 4XB
£15.00 per head including coffees and buffet lunch

The Westerly Owners East Coast Group invites you to take another short break from your winter boat maintenance to attend this winter technical event. This is an opportunity to meet other East Coast Westerly Owners, MYC members and members of the Medway and Swale Boating Association and hear about sails.

Chris Jeckells, Managing Director of Jeckells the Sailmakers, will be joining us to talk about how sails are made and give us a simple guide on how to set sails in order to get the best performance from them. Chris will be giving away a brand new style Jeckells jacket (RRP £124.99) for the first correct entry drawn from a hat based on three simple questions, the answers to which will be covered in the talk.

After the talk there will be an open discussion.

Booking and menus

MYC has quite a large clubhouse overlooking the beautiful Cookham Reach; we hope this event, open to Westerly owners and members of MYC or other Medway clubs and Marinas, will be well attended. We should be able to accommodate up to about 60 people but we will need to know numbers in advance not least to ensure we are all fed - accordingly please fill in the booking form below send by e-mail or post and also send a cheque or make a bank transfer. *In the hopefully unlikely event we will need to turn people away the choice will be on a first come first served basis.*

The buffet will include a choice of:

Beef Stroganoff & Rice or

Indian Selection - consisting of Meat & Vegetable Curries with Bhajis, Pakoras, Naan Breads & poppodoms

Plus Coffee

The well stocked bar will also be open.

The cost of the event including food will be £15 per head including lunch and coffees
