

Bird Watching on the River Crouch

Friday 16th – Sunday 18th February 2024

In collaboration with **Bird Aware Essex Coast**, join us for a weekend of bird watching. Learn about the nesting and feeding sites of sea and shore birds around the River Crouch, whilst enjoying sailing onboard our Bermudan ketch, Faramir.

Every winter, thousands of protected waders and wildfowl travel thousands of miles to the Essex coast estuaries. By participating in this voyage, you can help collect data for Bird Aware that will help protect these species.

We are pleased to welcome onboard Lea Merclova, Coastal Ranger from Bird Aware Essex Coast. Lea will be providing their knowledge and expertise on the local bird life throughout the weekend.

£275 per person

Sailing from Fambridge Marina on the River Crouch

Food, waterproofs and lifejackets included. Age 18+

Booking either via our website or call the number below.
