### River Medway – Esplanade Pier, Rochester Sunken Vessel

**NOTICE IS HEREBY GIVEN** that a sunken vessel currently lies alongside Esplanade Pier in Rochester. The boat, that sunk earlier in the summer, is still secured to the middle section of the pier but is not visible at any state of the tide. It has not been possible to mark the wreck effectively due to the rise and fall of the tide, however, signage warning river users of the wreck's presence is currently being drafted. The wreck, which poses a risk to mariners, currently lies in the approximate location shown below.

**All vessels should keep clear of the area and not attempt to moor on the pier until further notice**
